**The Total Leadership Experience©**

The *Total Leadership Experience* (TLE) is a two day program for emerging, mid-level, and senior leaders. The agenda and content are designed to fully engage participants utilizing both creative teaching and hands-on leader challenge exercises. You and your people will leave the Total Leadership Experience with the following:

- ✓ A personal and customized Inspire Leadership Model complete with an individual core purpose, core values, and a defined set of energy recovery rituals
- ✓ Two SMART Development Plans: one to elevate your professional performance, one to bring value and health to your personal life
- ✓ Clear self-awareness: personal understanding of your strengths and weaknesses resulting from assessments, one-on-one debrief sessions, and cadre peer discussions
- ✓ Network of professional relationships created at the TLE that continue and support your development and career success long after the TLE Experience
- ✓ Renewed passion and energy for your career as a result of identifying your core Purpose and Values

***“I have become a better leader, a more effective delegator, and an overall happier person. I believe that this will have a positive impact on my team as well as benefit my company's bottom line.”***
